## MISS GILBERT IS CHOSEN GODDESS

FRIENDS ROLL UP AN ENORMOUS NUMBER OF VOTES.

With a majority of 32,295, Miss Frances Gilbert was last night elected as Goddess of Liberty for the Fourth of July. The contest was a spirited one and the balloting was carried on until the last minute. The election of Miss Gilbert will be gratifying news to her many friends, and when the result was made known late last evening she was the recipient of many congratulations.

The balloting was as follows: Miss Frances Gilbert, 40,355; Miss Florence McNeill, 8,070; Mrs. Letson Balliet, 2,695; Miss Emma Wise, 765. Miss Wise withdrew her name yesterday from the contest, which explains the low number of votes received by her.

W. P. Wilson, who has been looking over mining properties in the south end of Smoky Valley, returned yesterday. While there he took occasion to get out his rod and fish in the Peavine. He says the stream is literally alive with the finest specimens of rainbow trout.

## CASHIER DEFAULTS.

ATLANTIC CITY, N. J., June 30.—Robert Ohmeiss, Jr., cashier of the Marine Trust Company of this city, was arrested today charged with a defalcation of \$20,500. He made a confession in which he says that he played the stock market until he was hopelessly involved. He is under \$15,000 bail for trial in October.

## RAID SWELL CLUB.

Ostend, June 30.—A sensation has been caused here by a police raid on a fashionable club under the anti-gambling law. One hundred and fifty persons who were present were taken into custody, the doors were sealed up and \$10,000 in stakes was seized.

REFEREE JACK McDONOUGH.

Referee Jack McDonough, who will be master of ceremonies at the coming fight on the night of the Fourth of July between Jack (Twin) Sullivan and Terry Mustain, is considered one of the best in the profession. He has refereed many fights, and none of his decisions has been questioned.

Jack (Twin) Sullivan has gone to Goldfield and will remain there until the morning of the Fourth.

He will have as a sparring partner while in the southern town, Jack Burns. This move will undoubtedly have a tendency to draw a big crowd from there.

Terry will remain at the Casino, where throngs witness him do his stunt every afternoon. He is in prime condition already, and his chances for winning are excellent.

## TONOPAH MAY HAVE ICE WAR

LOS ANGELES MAN MAKES CASSA VASS OF CITY TO GET POINTER.

A representative of a Los Angeles ice company was making a canvass of the city yesterday. What his visit portends remains to be seen. He evidently paid Goldfield a call, for this is what the Tribune said:

"Ice as a boon for humanity during the hot weather has been an unobtainable commodity for most of the inhabitants of Goldfield, but is a result of the competition of a Los Angeles firm, it is probable that even the most modest home will be able to afford a good sized piece of ice every day."

"The slashing of prices began yesterday, when the new company proceeded to deliver ice at the rate of \$22.50 per ton. Following the wagon of the new company was the wagon of the old Goldfield company, which offered to sell ice at \$20 per ton, or 1 1/2 cents per pound, instead of 3 cents, which was its former rate."

"The fact that the new Los Angeles company is able to place ice in the market in Goldfield at a cost to the company of but \$10 per ton leaves it to be assumed that the drop in the price of ice is not yet ended, and that in the near future Goldfield may expect ice rates which not suffer in comparison with most cities of the country."

"The Los Angeles company will soon establish an ice plant at Las Vegas, and the representative of the company announces that when this is completed it will be in a position to cut rates still further. The local company, which operates from Gold Center, says that it can cut as low as the new company, and even further, if necessary. The cost of the ice to the new company, in Los Angeles, is \$3 per ton. This can be delivered into Goldfield for \$7 per ton, making the entire cost of the ice \$10 per ton. This gives the new company a decided margin."

## BURIED YESTERDAY.

Mrs. Hannah Buckland, who gave birth to twins Sunday night and died the following day, was buried in the local cemetery yesterday. One of the babes was interred with her, having lived but a few hours. Her husband is a miner employed at the Belmont. Twins that were born three years ago and the babe Sunday survive her.

## HANDY YOUNG MAN.

NEW YORK, June 30.—Mrs. Dorothy Mack, bride of "Johnny" Mack, professional aeronaut, made a 7000-foot descent from a parachute for fun. She dropped into the Passaic River, Hillside, N. J., and was rescued by a young man, who jumped, full clad, into the river after her.

## REPORTS STRIKE IN EASTERN NYE

T. J. CONNORS WRITES TO THE BONANZA OF ANOTHER GOLD DISCOVERY.

A letter from T. J. Connors, who is located at Sharp, Nye County, reports a very important gold strike about seven miles north of this place. The strike was made by prospectors named Feltman and Karpin, who came in yesterday for supplies. They brought in considerable ore to send off for assaying to determine true valuation per ton. Today I made three hornings and obtained free gold in each horning. I would not call it high grade shipping ore, but it is good quality, and in width from 10 feet to 20 feet. Feltman and Karpin have taken up six claims and no one else has yet got into the district, so they state. This is the first word to the outside world of the strike.

This place is on Cherry Creek, in Township 3, North Range, 57 East and about 120 miles east from Tonopah. Hay can be obtained at the cattle ranch here in limited quantities, and first cutting of alfalfa will take place early next month, which will add to the supply. Grain has to be all hauled in from Curran Creek, situated about 50 miles distant from here. Groceries and provision may be obtained here. A good supply of water is situated one-half mile from strike.

The route here from Tonopah is via Stone Cabin, Twin Springs, Bardoli Ranch to Sharp.

The lead bears northeast and southwest with lime and porphyry walls. The ore and the hornings all look good to an old-timer.

Aside from above information I will state that the old Groome Mine, situated about fifty miles southwest from here, has been sold by Wheatley & Osborne to a syndicate who have now on the ground their first lot of supplies shipped by wagons—6 10-horse teams. The Groome is a fine lead-silver property, with considerable development work done and many carloads of ore in sight.

Another new strike was made in the same district and about four miles northeast of Groome Mine, by Sam Maloney. This strike was made about two weeks ago and consists of a lode about 8 feet wide, carrying silver, lead and gold, values in order named. A Guggenheim expert, named D. Delman, who came here for supplies, stated that the surface showing on Maloney strike is one of the best he ever saw. No other locations have been made on adjoining ground, though prospectors have just left for the district.

There should be a fine opportunity for men with small capital to invest in the mineral prospects of eastern, Nye County, let alone for large capital.

If you desire mining or binding in a first-class manner call on the Bonanza and our collector will attend to your wants.

## VICIOUS ASSAULT ON YOUNG MAN

FRANK HEALY IS VERY BADLY BRUISED BY TWO THUGS AT MINA.

Frank Healy, secretary to Comptroller Charles, of the Tonopah Mining Company, and one of the most prominent young men in this city, returned yesterday from Mina, where he had been the victim of an uncalculated assault by two brakemen of the Tonopah and Goldfield Railroad.

Healy had gone to Mina to meet R. J. Highland, with whom he is interested in mining properties at Oro City, near Hawthorne, and while talking with the latter they were accosted by several men, one of whom called Healy aside and struck him a stinging blow in the face, knocking him down, and when lying prostrate on the ground kicked him in the face and head until his face was almost beyond recognition. Several men in the meantime had restrained Highland from rejoining his friend, and when he did get away he assisted Healy to his room.

Two suspects named Matthews and Jennings, brakemen on the Tonopah & Goldfield Railroad, have been arrested and are confined in the jail at Millers. They were arrested Monday at Blair. The cause for the attack is believed to have been due to the idea that Healy was a spotter in the employ of the railway company.

Healy is now at the Mizpah Club and is under the care of a physician.

## NARROW ESCAPE FOR PERCIVAL

ATTEMPTS TO BOARD AUTO WHILE IN MOTION AND FALLS TO THE GROUND.

Ray Percival, while trying to jump onto a Simplex machine driven by "Shorty" Kutzkau yesterday afternoon, came nigh losing his life. The car was going at a fair speed when Percival's foot slipped and he was thrown heavily to the ground. Bystanders picked up the dazed man and conveyed him to a nearby physician's office, where upon examination it was found that no bones were broken, and with the exception of a severe shaking up he was uninjured.

## USED BILLIARD CUE.
